

Frosty the Snowman

Frosty the snowman, was a jolly happy soul

With a corncob pipe and a button nose and two eyes made out of coal

Frosty the snowman is a fairy tale they say

He was made of snow but the children know how he came to life one day

There must have been some magic in that old silk hat they found,

For when they placed it on his head, he began to dance around

Oh, Frosty the snowman was alive as he could be

And the children say he could laugh and play just the same as you and me

Thumpety thump thump, thumpety thump thump, Look at Frosty go

Thumpety thump thump, thumpety thump thump Over the hills of snow

Frosty the snowman knew the sun was hot that day

So he said "Let's run and have some fun now before I melt away"

Down to the village with a broomstick in his hand

Running here and there all around the square saying "Catch me if you can"

He led them down the streets of town right to the traffic cop

And he only paused a moment when he heard him holler "Stop!"

For Frosty the snowman had to hurry on his way

But he waved goodbye saying "Don't you cry, I'll be back again some day"
