

## CHAPTER 7; WEATHER WINDINGS

NAME \_\_\_\_\_

Did your family have a storm cellar? If not, where did you go in a bad storm?

What are your memories of a tornado experience?

Do you remember a time when everyone hurried to the storm cellar?

Were your dad's crops ever destroyed by hail?  
Your house roof? Windows?

Do you remember any severe thunderstorms?  
Were you afraid of thunder? What did you do?

Was your home ever damaged by floods? Were your roads ever washed out?

Do you remember any very bad wind storms? Did you have dust blowing through the window cracks? Did your wind mill blow over? Did you lose any structures to wind?

What is your most vivid blizzard memory?  
Zero visibility? Tying a rope from the house to the barn?

Did you ever lose cattle or poultry to a blizzard?

Were you ever snow bound? What did you do?
