

## Morsels and More

### STEW

2 small cooked chicken breasts, cut into bites

1 ring of Italian sausage, cut into bites

1 onion, diced

1 precooked carrot, thinly sliced

1 green pepper, chopped

Place all of the above in a kettle with a small amount of chicken broth and cook until the vegetables are done.

Add 2 cans of cannolini beans and enough additional broth to make a nice stew but not watery. Season to taste with salt, pepper, sage and thyme.

Serve with toasted garlic bread.
