

MEMORY

THINGS WE DO TO PREPARE FOR WINTER

Hang storm windows

Find the snow boots

Get out the sweaters

Get a supply of wood

Winterize the car

Plasticize the windows

Attach new weather stripping

Buy some coal

Clean the garden

Put the carrots in sand in the cellar

Get out the snow shovel

Bring the quilts out of the blanket box

Have the heater/furnace checked

Clean the chimney

Empty the outdoor flower pots

Put away the lawn furniture

Buy mouse traps

Fill the hay loft

Lay in a supply of bird seed

Butcher so there's meat in the locker

Insulate

Buy warmer mittens

Sharpen the ice skates

Dig out the ice cream freezer

Clean the lamp chimneys and buy new wicks

Smooth the sled runners

Bring bales to the feed lot

Put on the snow tires

Put a survival kit in the car

See that the snow blower works

Lay in a supply of antifreeze

Buy fuel oil

Burn the ditches

Grind oats for the cattle
