

Bubble Solution:

1 Cup warm water

2 Tablespoons liquid dish soap

1 Tablespoon glycerin (from a drug store)

1 Teaspoon white sugar

Mix all together, store in an air tight container.

You can make stronger bubbles by using this recipe:

1 Package unflavored gelatin

1 Cup of just boiled water

1 1/2 to 2 Ounces of glycerin (drug store)

8 1/2 Ounces of Johnson's Baby Shampoo

Mix gelatin into warm water until completely dissolved. Slowly add glycerin and shampoo. Solution will gel when it cools.
